# About Us

We foster an environment of cooperation and support, where the success of one is celebrated as a victory for all.

## Who We Are

We are a team of passionate individuals driven by a shared vision to create Narcan World, a vibrant platform for crypto enthusiasts. With diverse backgrounds

## Our Vision

Our vision is to offer individuals a range of practical tools to use in the world of cryptocurrency, empowering users to navigate this dynamic crypto space with confidence and achieve their financial goals

## Our Mission

Our project's vision is embodied in Narcan: not just a social network, but a dynamic crypto community where collective growth thrives. Welcoming all levels of expertise, we foster collaboration, diverse perspectives, and learning. Join us to share insights, connect, and expand your network in a collaborative environment

## Our foundational beliefs

### **Transparency United Inclusivity**

Transparency, unity, and inclusivity define our commitment to fostering an open, collaborative, and diverse community. We prioritize clear communication, mutual support, and respect for all members, ensuring that everyone feels valued, welcomed, and empowered to contribute to our shared goals.

# RoadMap

To achieve success, a project requires a thorough roadmap.

Below are the pivotal phases of Narcan World Token:

## 1ST PHASE

- **Conceptualization**
- **Website development**
- **Creation of Whitepaper**
- **Initiation of Social Media accounts**
- **Ensure functionality, usability, security, and performance of website**

## 2ND PHASE

- **Smart Contract development**
- **Liquidity Pool creation**
- **Renounced Smart Contract**
- **Burn LPs**
- **CoinMarketCap and Coingecko Listing**

## 3RD PHASE

- **Enhance the website with php scripts and plugins beneficial to the community.**
- **Implement Transak On/Off Ramp functionality.**
- **Progressive web app (PWA)**
- **NFTs**
- **NarcanHub chat like discord app**

We will continually update this whitepaper with any pertinent information. Our commitment is to maintain transparency in all activities within the Narcan World social network.
